

## Flush-mounted product range basic55<sup>®</sup>

Colours are emotions. They influence how we feel. They shape, connect, provide contrasts. They display flair and creativity. The colours of basic55<sup>®</sup> give your room design in a new dimension. They are warm, harmonious, comfortable, elegant. They lend concepts for living an individual flair and turn light switches into high-quality design objects.

### Design

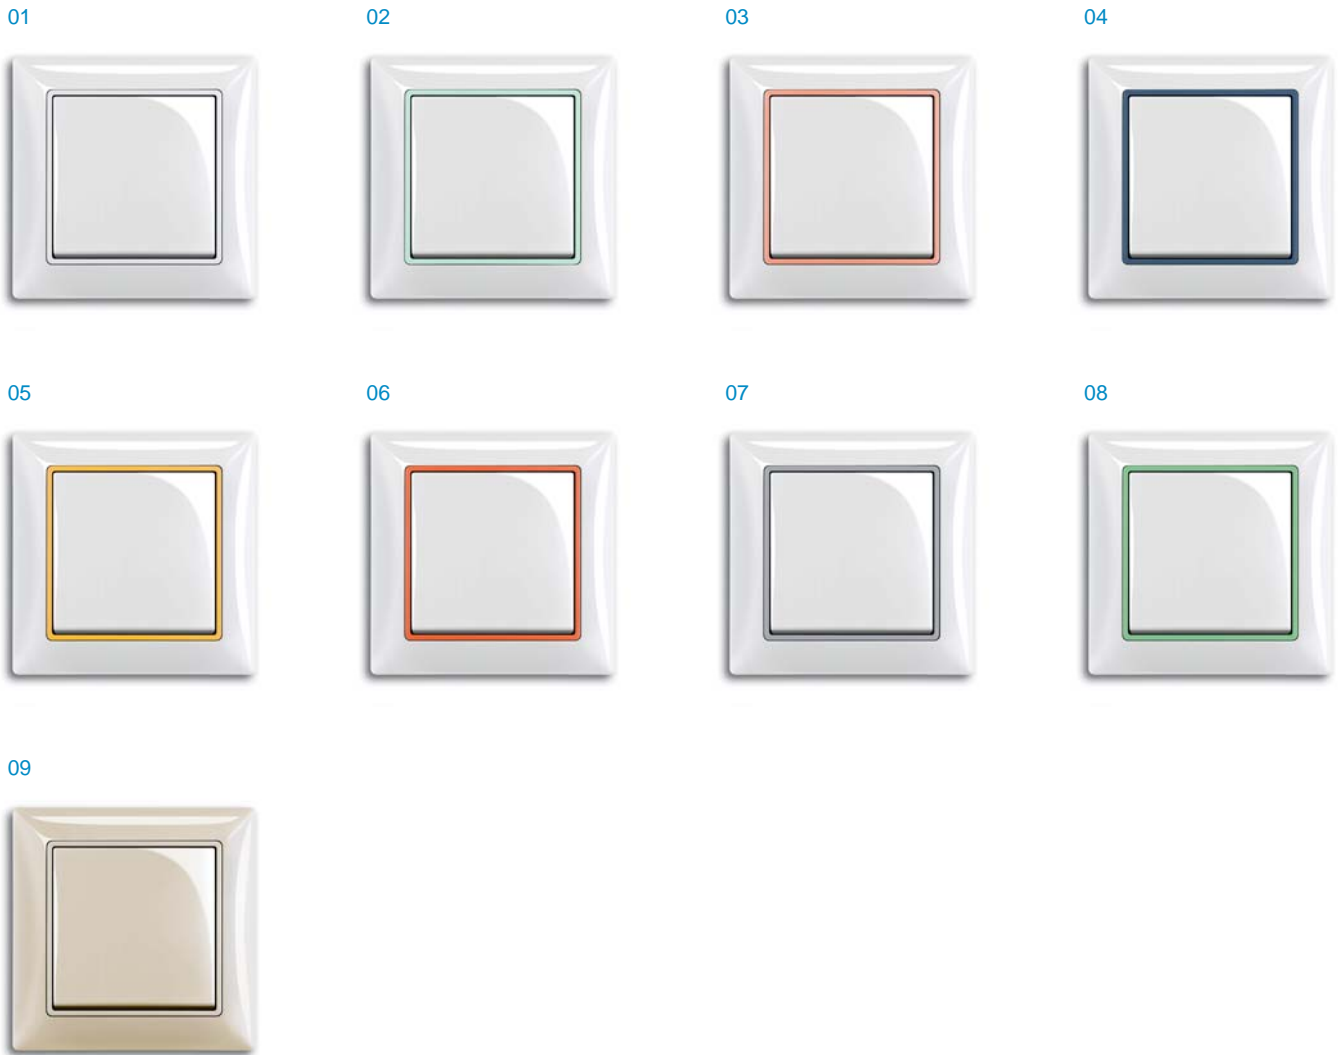

**TrendLine.** Setting the tone. Enjoying aesthetics.
